

Jay Stuart Reine was born on February 3rd, 1958, to Vernon and June (Frey) Reine at Swedish Hospital in Minneapolis, MN. Jay was raised and attended school in Robbinsdale, MN.

In 1979, Jay married Anita King and they were blessed with two sons, Joe and Jesse.

Throughout his life, Jay worked as a messenger, roofer, and most important to him, a drummer. He played for several bands locally such as "The Chance Band", "The Lazy Boyz", and "57 Chevy". Drumming was where his heart was and he was one of the best!

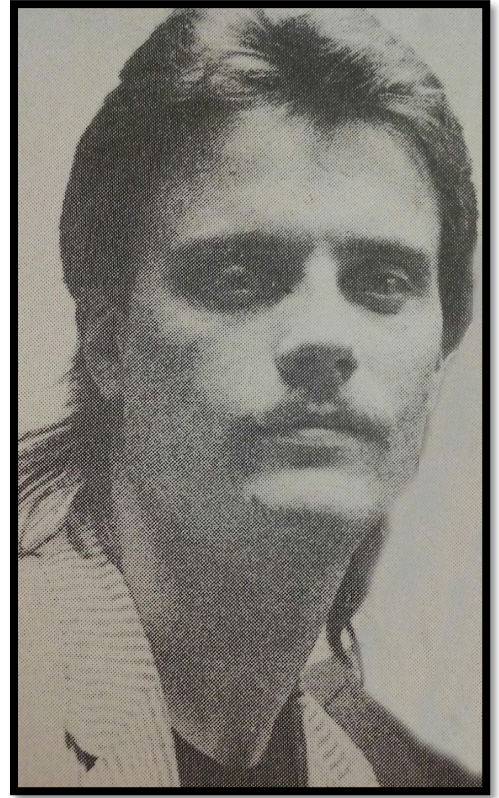

Jay enjoyed watching most sports, but none more than the MN Vikings! He was happy just hanging out with Julie or meeting up with friends for a cold beer. He was very social and loved to talk sports or music with anyone. He also enjoyed watching Star Wars, Star Trek and James Bond.

On February 12th, 2019, Jay passed away in his home at the age of 61.

Jay is preceded in death by his parents, Vernon and June, and his grandparents. He is survived by his sons, Joe (Ashley) and their children, Carissa, Olivia and Henrik; Jesse (Laura) and their children, Julian and Peyton, all of Wisconsin. His sister, Gretchen Carlstrom of Oregon, and his girlfriend of 21 years, Julie Johnson of Alexandria, MN. He is also survived by his nephews, several cousins, Julie's family, and his best buddy, Peanut.

Someday we'll all be able to hear him play drums again with God's band! Rest in peace, my love.

A FACE AMONG THE STARS

I looked for you this morning,
I looked for you last night,
I looked for you everywhere,
But you were not in sight.
I looked up to the night sky above,
And saw your face in the stars.
It was then I realised,
You're not here anymore
But you'll always be with me.....
You will always be in my heart.
Life is something all of us must borrow
Returning it in time, to whence it came.
Good-bye doesn't mean you're gone,
So long as I still love you,
Your memory will live on.
