

Dear Church Family,

A reminder that we have resumed church-wide potlucks on the 1st and 3rd Sabbath of each month. Tomorrow will be our second one. We know that they are a blessing for each person who attends.

As we resume, we are asking for your assistance. It is a burden on our hearts that no one misses the worship service or other meetings to prepare for or clean up from fellowship meal. In order to do this and meet the demands of scheduled activities, we are asking the following:

- Please have all the wonderful food you bring for fellowship meal ready to serve.
 - Hot food - hot and ready for the warmer.
 - Cold food - prepared and ready to go in the refrigerator
 - Bread - cut and ready to serve
 - Desserts - cut and ready to serve
 - Any food brought needing further preparation will be up to the person who brought it. Please remember the physical space is limited in the kitchen, especially when we are putting the food out.

- For refrigerator cleanliness, we ask that any refrigerated condiments needed for your dish be brought with you and any remaining be taken home or gifted to someone else so that no food remains in the refrigerator over the week.

- We will be having a clean-up list at the beginning of each fellowship meal so that you may see the list of clean-up duties needed and sign up for one of them. Many hands make light work.
 - To help with clean-up time, all food will be served in the dish it is brought to church in and these dishes will be taken home to be cleaned.

Each Sabbath there will be a person in the kitchen area to assist with questions from 10:45 to 11am and then directly after services.

Fellowship meal will begin 15 minutes after the service ends.

Thank you for your cooperation.

We look forward to seeing you at fellowship meal!

Blessings,

The Kitchen Team
