

*The pain in my heart  
Is dragging me down  
I could scream  
And shout  
Cry my eyes out  
I don't know how to process this  
Wish I could wake up  
And see you smiling at me.  
Like you did when I was a kid  
I could scream and shout  
Cry my eyes out  
But nothing will change this  
I've prayed  
And I've prayed  
Just wishing you could be okay  
I've cried my eyes out  
Just wishing somehow.  
That this was a dream  
No I don't know how  
How to make it through  
All of this pain  
Cause I feel  
Like I should scream and shout  
I've cried my eyes out  
Don't know what else to say*
