

I'd Marry You Again

*With tiny tears that glistened,
my eyes were fixed on you,
and thinking of the life we'd
share we softly said, "I do".*

*Our hearts were knit together
from the time we first met,
and memories were gathered
that we never will forget.*

*While daily living life with you,
you saw the real in me,
and still you chose acceptance,
a loving mystery.*

*With many happy times gone by
And others when we cried,
some days we'd share so endlessly,
while other days we'd hide.*

*With all the ups and downs
We've had in learning to be friends,
I know that in this heart of mine,
I'd marry you again.*
