

## Recounting His Blessings

*“True humility will be evidenced by recounting the mercies of God. Think of his goodness and praise his name. The more we see and tell of the love and goodness and compassion of God, the more will gratitude spring up in our hearts. This will put a stop to grumbling. Distrust, censuring, jealousy, and evil surmising are never cherished in a heart that is thankful because of the mercies of God. True Christian life is that of higher and still higher education. Christians must grow up to the full stature of men and women in Christ Jesus. This is the character we must form if we have the wisdom of the Lord with us” Spalding & Magan Collection, p. 148.*
