### PCAS School Re-Enrollment Open Soon

Re-enrollment for 2018-2019 school year is upon us. I will be sending out a parent alert by phone when the application will be opened. Enrollment will again be online for renewing families. If you need help with enrollment, please make sure that you make an appointment with the office to complete all required documents. We will be opening up enrollment for current families for a month and then open for outside families. Many classes are at maximum capacity, so once open to those outside the school, it will be on a first-come, first-served basis. Keep an eye out for dates of parent enrollment nights.

## Important

### February Art Contest:

This month's art theme is Piet Mondrian. His work was known to be abstract and he simplified the elements of which he was painting.

### Step Up Update:

Still has not opened for new families. We will keep you up-to-date on the progress.
