REMEMBERING
THE LIFE AND LEGACY OF
Trajanae
CRESHAY HAMBLET

Trajanae Creshay Hamblet, Also known as “Nae”, was born on June 29, 1997, at Daniel Freeman Hospital in Inglewood, CA to Shawnta Filer (Jefferson) and Travelle Hamblet who preceded her in death. Nae began her education at Cienega Elementary in Los Angeles. The family then moved to Las Vegas NV where she continued her education at Heckathorn Elementary and Kitty Ward Elementary she then went on to attend Johnston Middle School and Legacy High School where she graduated in 2015.

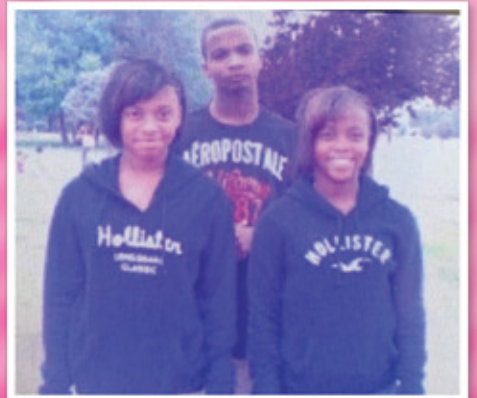

After graduating she got her first JOB at Carters in the north premium outlet. She always loved babies so working at that store was right up her alley. Trajanae was the babysitter of the family and because of her love for children her dream was to be a NICU nurse. She wanted to be a nurse to follow in the footsteps and inspiration of her G-Mom (Charetta). To know Nae was to Love Nae and everybody did, she loved listening to music, reading, cooking, and taking care of her one and only nephew Nassir. She was also a member of Vegas New Edition (VNE) drill team squad.

On May 20, 2023, Trajanae closed her eyes on this side of eternity, to remain in the hearts of all who held her near & loved her unconditionally. She was preceded in death by her paternal great grandparents Guy & Alberta Hamblet, her maternal great grannies by way of marriage Youra Johnson and Callie Mae Lewis as well as her uncle Regimen Caldwell who all preceded her in death.

She leaves to cherish her memory to her Mother Shawnta Filer, Stepdad Gregory Filer, siblings that she loved wholeheartedly Travelle Jr, Gregory III, Traonna, Ronnell, N'Diyah, Montae. Maternal grandparents Cheryl Beal & Jerome Jefferson (Yvette Jefferson), Paternal grandparents Linda Jackson (Darryl Jackson) & Howard Hamblet. Maternal great grandma Frankie “BIGMOMA” Yarbor. God Mothers Charetta Dixon & BG Dixon. As well as a host of aunties, uncles, cousins, and friends who loved her deeply.

LOVING TRIBUTES TO
THE LIFE AND LEGACY OF
Trajanæ
CRESHAY HAMBLET

To my sister, my bestfriend and my other half. I love you so much and I hope you and dad up there having a ball. Bestfriend was truly and understatement. Our last conversation was definitely the harest but it gave me peace knowing that you'll be ok up there. I wish life would have gave us more time, I feel like I failed you and I'm sorry. If I could have saved you or been able to trade places with you I would have done so no hesitation. The summer and all of our other memories will forever be cherished. "Pops would you like some sausages". One of the best summers we had with some of our favorite people. I hope your happy an at peace now. The gang gone forever miss you!! "You a got damn 88". You know its forever withus baby! Until we meet again my PRETTY LADY. I LOVE YOU SO MUCH!!

-Little Sis a.k.a Little Boy

A Very Special Sister
For many years we've shared our lives.
One roof we once lived under.
Sometimes we laughed, sometimes we cried.
Through winter storms and thunder.
The younger years have faded fast.
We've Gone our separate ways.
But through all time our friendship lasts.
Our bond in life remains.
As summer brings happy times.
The Autumn winds will whisper.
A closer friend I'd never find.
Then the one I call my SISTER.
Vernon, 1985
-N'Diyah "Big Boy/Big BabyGirl"

No farewell words were spoken,
No time to say good-bye.
You were gone before we knew it.
And only God knows why.
Our hears still ache in sadness.
Amd secret tears still flow.
What it meant to lose you.
And one will ever know.
-Love G-Mom

I may not have spent a lot of time with you but I love you so much and will miss you tell Dad hi and I love him to ... Fly high big sister
-Montae (Turtle)

You Never Said Goodbye

You never said I'm leaving, You never said goodbye.
You were gone before I knew it, And only God knew it.
A million times I needed you, A million times I cried.
If love alone could have saved you, You never would have died. In life I loved you dearly, In death I love you still. In my heart you hold a place, That no one could ever fill. It broke my heart to lose you, But you didn't go alone. For part of me went with you, The day God took you home.

-Love Granny Linda

To my 1st niece , I could remember you lil Travelle and traonna coming over for the summer to my mom house and we playing school and your the only one who listened all I can see was your smile with your missing 2 teeth in the front bc you were always good for candy , you taught me how to be responsible and how to be a auntie I will never forget how it started you will truly be missed im happy I was able to spend the last days with you tell my brother / your dad I miss him soo much , until we meet again pretty angel .

-Love Aunty Meika

For Trajanæ
who would have thought I'd be doing this, kissing you on your forehead and whispering you shall be truly missed, Wondering why you but I won't question God's will, and I promise you to smile no matter how I feel, cause even tho it hurts the ones you left behind, we all need to smile because God has let his angel fly, he offered you the sky and heaven above this earth, he knew what he created and he knew what you were worth, so he decided to give you wings and place you at his side, so you could be there to greet us when it's our time to fly, he knew that we would need you when we approach the gates, cause it would give us solace to see your beautiful face, so please be there to greet me when I finally win my race, and make it to the finish line that's called a better place, so with that said I say this, I love you little cousin you shall be truly missed....

-Love Cousin Joey

I MISS YOU DEARLY!!!

I cried when you passed away, I still cry today.
Although I loved you dearly, I couldn't make you stay.
Your Golden heart stopped beating, hard working hands at rest. GOD broke my heart to prove to me he only takes the BEST!!!

-Love 4ever & Always Mom
