

*at Parkersburg Academy (grades K-2)*

## Supply List

1. **BACKPACK**- backpack must be able to fit the water bottle, note pad/clipboard, pencil container and items of clothing such as gloves, hats, sweater or even rain gear. If lunch box could be attached great. A waist band on the backpack would be great. You need the backpack to fit the child. A good backpack is essential when we are out in the field. *A second cheap backpack to carry items home such as empty lunchbox, dirty clothes, folders and books would be nice, so that the field backpack could be left at school.*
2. **CLIPBOARD**-(plastic)-(for 8.5" X 11" paper)/Labeled
3. **COLOR PENCILS**-(Crayola- Erasable)-this name brand.
4. **PENCIL HOLDER**-(not a box)-a bag or small flexible case.( needs to fit in backpack and hold the color pencils, one pencil and a pen)
5. **A MUG**- for hot drink during the colder months to be kept at school.
6. **ONE-2 INCH-3RING BINDER WITH CLEAR POCKET COVERS.**
7. **WATER BOTTLE-RESUABLE**-(hard plastic) (no disposable water bottles ...such as Deer Park etc.) Would be great if it fit on the outside of backpack or could be attached to backpack.
8. **A PACKAGE OF PAPER PLATES (thin)**
9. **TWO-DISH TOWELS**-(these do not need to be new or labeled)
10. **(10- used-but without holes-Plastic bags)**- (such as the Walmart bag) for classroom.
11. One box of Ziplock gallon bags with the **Zipper Slider**

## Clothing and Gear List

**It is essential** to make sure your child is dressed appropriately for two to four hours of outdoor exposure. We adhere to the motto: ***There is no such thing as bad weather, only inappropriate clothing choices.***

### Layers!

Some days are 1-layer clothing days, some days are 2-layer days, some days are 3-layers. It is much easier to take layers off as needed than to warm a child that has already gotten chilled.

Your child's needs throughout the day are often unpredictable and will depend not only on the weather conditions but also the child's body temperature and activity level. Please make sure you dress your child in clothes that can get messy in. All clothing and footwear should be loose fitting and roomy to allow the body's own insulating layer to surround the skin.

**Pants** are more comfortable for children (and easier to pull up and down for going to the bathroom) when they have elastic waists instead of buttons or snaps.

**Fall and Spring:** We require all children to be dressed in the following clothing:

- ❖ **Lightweight rain pants or quick-dry long pants:** long pants rather than short pants are important to protect legs from thorns, insects, poison ivy etc. **No denim jeans** please (they do not dry).
- ❖ **Rain boots with lightweight socks**
- ❖ **Rain jackets: with long sleeve tops when temperatures are cooler**

**Winter:** We require all children be dressed in the following clothing:

- ❖ **Rain boots:** Winter boots should be waterproof and insulated. To add extra warm layer with wool socks.
- ❖ **Full rain gear (hooded jacket and pants there are insulated options)**
- ❖ **Two-piece long** underwear--silk or wool is best, but polyester is also a good choice. Wearing 2 layers of smartwool long underwear underneath a thick wool sweater and fleece pants is the most effective way to layer children under their rain gear in order to keep them warm without feeling too bulky.
- ❖ **Silk or wool socks**
- ❖ **Mittens and a hat:** wool or fleece is warmest.
- ❖ **Extra Set of Clothing:** Please provide in a large labeled ziplock bag a complete change of clothing in case they need warm, dry layers while outside. The complete change of clothing should include pants, underwear, warm socks, short-sleeved shirt, long-sleeved shirt, sweater or sweatshirt, warm hat and mittens. Since you know your child best, if you think it would be wise to pack an extra pair of footwear, or anything else for that matter, please do!

- ❖ **School clothing for the classroom:** Children enjoy changing into nice clean clothes after being in the forest. Bring a change of school clothes to change into each day-these may be left in their lockers.
- ❖ **Label Clothing:** Please label everything with your child's name (including **socks**). Please make sure that all items are in good condition and that your child is comfortable wearing them.
- ❖ **Lunch:** Your child's lunch should **be prepared and ready to eat**. Microwaves will not be available. (Providing your child with a little healthy snack each day is acceptable). As part of the forest classroom emphasis please send lunches and snacks *in* **reusable containers and silverware to reduce the waste**.

## Where to Obtain Gear

Children who are properly dressed will be able to enjoy their time outside in all seasons.

Please know that all of the brand suggestions given is a guideline to work from. We have learned a few things from last year as to what works well in my opinion, however, I will work with whatever you provide and will make it work as needed. Thank you and think of all the fun your child will be able to have when they have good clothing to keep them comfortable outdoors.

Think *investment*, cheap gear will have to be replaced throughout the year, it simply does not hold up.

**Some recommended brands for outer wear** are attached with links and step by step suggestions for navigating the sites.

Also, one company, Polarn O Pyret, offers a 20% off if you sign up for their outdoor program, this information is in the next paragraph.

Please note that a leading brand in the children's outerwear space – POLARN O. PYRET of Sweden – offers parents enrolled in an outdoor oriented school or program like ours with a standing 20% off discount on their entire range of full priced outerwear from wool socks to snow and rain suits and everything else in between! Once you sign up at the below link you just need to be logged into your shopping account for the discount to apply. No code is needed. You can use the discount on an unlimited basis throughout the year. It also applies to full price Swim and UV rash guard. Let me know any questions or you can refer yourself directly to the outdoor school coordinator for the program, Jennifer Athanason. She is happy to answer any questions you may have! Just email her at [outdoorschools@polarnopyretusa.com](mailto:outdoorschools@polarnopyretusa.com)
