THE LIFE OF JEAN MARQUIS DESHÀ STEWART

The sun rose on the life of Jean' Marquis Deshà Stewart on December 24, 1998, in Denver, Colorado. A blessing from the Lord Almighty, Jean' Marquis was born to Eric Stewart and Kenya Moss. He was the last of three children to join this family. and was truly a momma's boy from birth.

From the beginning, Jean' Marquis although small in stature and quiet in demeanor, made a bold statement. He was known to sport fancy large chains and always stood out from the others. His sisters, Breashelle Moss and Jaelynn Smith cannot help but remember his bodacious smile that would light up any room. Jean' Marquis always displayed his pearly whites and often quoted some his favorite sayings such as, "Y'all Being Weird", "Oh My Gosh" and "Your Such A Zeek". One of the families' fondest memories came during Easter Sunday while Easter egg hunting. Jean' Marquis became very frustrated because he couldn't find any money or eggs. He then blurted out, "This Is A Ripe Off."

Jean' Marquis grew up in Denver, Colorado's great Park Hill Community and was educated through Denver Public Schools. As persistent as he was, he battled his way through school and graduated from Justice High School. Soon after graduating, Jean' Marquis took on several different jobs including, working at Wal-Mart, Krispy Kreme and the United States Parcel Service (USPS) as a sales associate.

Jean' Marquis affectionately known as "Buddah", was a strong man full of life. He was a great listener and a very caring person. Buddha loved to spend time with his family and chill with his son; Jahari. He enjoyed hanging out with his best friends, Rasheed, Clover, and DJ spent a lot of time together. They will miss all the memories that they created with one another kicking it and entertaining the ladies.

To know Jean' Marquis "Buddah" was to love him.

Jean' Marquis Deshà Stewart departed this life on August 22, 2021. Those left to cherish his memory include his son, Jahari; mother, Kenya; father, Eric, sisters; Breashelle and Jaelynn; grandparents, Robert (Audrey), and Barbara (Brian); aunts, Tommy, Kimberly and Tashmeica (Chris); uncles, Jason, Roman, Demtrix and Robert and a host of family members and friends.

Dear Jean:
My special gift in life, A special time,
A special place, A special smile on
your face that can never be replaced.
With an aching heart, I whisper "I
miss you son and I love you". So, God
why did he have to go?

My only Child! My only Son!
"He answered and said I gave mine
up for you."

Son with a heartfelt sorrow I know
I'll see you some tomorrow.
So, until then in
my heart you will stay.

Love You,
Your Dad, Eric Stewart

Half Of My Heart Is Gone

Son, I wish I could wake up and see you standing there. Then I would know that it was just a nightmare. Son, I remember when you were small and how you would hold my hand, and as you grew older you became my best friend.

Son, I have 29 years of memories that I will treasure and keep safe in my heart. We share a bond that time and distance can never break apart. Son, oh how my heart aches so. I would love to have you back and never let you go. Son, where there was happiness, now there is sadness. Son, how I long to hear your voice and see your beautiful smile and have you back for just a little while. Son, until that day I see you again, I will look to the sky and search among the stars for my son and best friend.

Love, Mom

A MILLION TIMES

You never said I'm leaving,
you never said goodbye,
you were gone before I knew it
and only God knew why.

A million times I needed you,
a million times I cried,
if Love alone could save you,
you never would have died.

In life I loved you dearly,
in death I love you still,
in my heart you hold a place,
that no one could ever fill.

It broke my heart to lose you,
but you didn't go alone,
for part of me went with YOU,
the day God took you home
