Reflection of Life
ANNA CARNELIA ROBINSON

Anna C. Robinson was born to the union of William and Jimmie Davidson in Hamtramck, Michigan, on May 6, 1939. Anna is one of five siblings.

Raised in Detroit, Anna was educated in Michigan's public school system and was a licensed and practicing Cosmetologist for several years.

Anna was a faithful member of Mt. Zion Missionary Baptist Church under Pastor Kevin Mack until she moved to Cypress, Texas in the summer of 2022. Her illness prevented her from finding a new church home.

In 1985, Anna was employed by United American/Omnicare as the Front Desk Receptionist in the Administration Department. This was a very important role because it represented the first impression of the company to its clients and visitors. Anna remained in this position for several years. When the company expanded, Anna's personable demeanor and work ethic was acknowledged, and she was quickly promoted to a position in the Customer Service Department. This is where a strong bond was formed with several women and a true sisterhood was developed. This sisterhood consists of a group of friends who traveled, celebrated milestones and holidays together, and most of all comforted and supported each other. Throughout their 40 years of friendship, they learned and shared their special skills with one another; Anna's being gardening, home décor, and her classy and elegant style. This sisterhood was later named the 'Waiting to Exhale' Sisterhood and is still in existence.

God called Anna home on May 3, 2024. She leaves to cherish her memory, her loving husband of 37 years, Alfred Robinson of Cypress, Texas, four children Bryon Davidson (Lisa), Yvette Davidson-Grams (Greg), Kay Motley (Alex), and Lynn McNeal, sister, Dorothy Davidson, brother, James Davidson, bonus-son, Troy Robinson, all of Detroit, Michigan, bonus- daughter, Daedriane Rhodes (Kevin) of Cypress, Texas, five grandchildren, ten bonus-grandchildren, great- grandchildren, special family friends, Frances Whitfield, Judy Jordan, and Felicia Johnson, and a host of loving family and close friends. Preceding her in death are Anna's two sisters Rose and Denise.

Flowers Are Forever

I remember, at the beginning of summer, you and I would go to pick the most beautiful flowers. Pink, red, and white were your favorite. Because of that, I have grown to love planting flowers. For that, I thank you. Thank you for teaching me that life can be beautiful through flowers.
