

### Living Life

Life is not a race ~ but indeed a journey.

Be honest. Work hard. Be choosy.

Say "thank you," "I love you,"  
and "great job" to someone each day.

Go to church, take time for prayer.

The Lord giveth and the Lord Taketh.

Let your handshake mean more than pen and paper.

Love your life and what you've been given,  
it is not accidental ~ search for your purpose  
and do it as best you can. Dreaming does matter.

It allows you to become  
that which you aspire to be. Laugh often.  
Appreciate the little things in life and enjoy them.

Some of the best things really are free.  
Do not worry, less wrinkles are more becoming.

Forgive, it frees the soul.  
Take time for yourself ~ plan for longevity.

Recognize the special people  
you've been blessed to know.

Live for today, enjoy the moment.
