Prayer and Praise

Philippians 4:6 “ Be anxious for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God.”

Please pray for Pastor Allen Myers Mom, Virginia (Not our beloved Virginia Myers from Piedmont). She had to have a stint put in her heart last week. She is doing well, Darlene says, for being a few short weeks from turning 90 years old....but she has a lot of rehabilitation to do. Darlene and Pastor Myers said they would appreciate your added prayers. From: Linda Johnson

I want to thank you for all the prayers said for my families newest babies. All 3 are now home and doing well. I on the other hand developed bronchitis last week so I have been down again. The doctors started me on a new immunosuppressive drug so I am hopeful that it will work. Blessed, Maria Nehls

Please include in your prayers a friend of mine who is still confined in Bryan East for heart failure and her kidney is failing. Please pray that she will get better before she goes home to the Philippines this coming March. Her name is Maria Luz. Thanks so much! From: Ferlie Gaskin.

We praise God that springtime is near...only a few more weeks and we will begin to see the spring flowers popping up...then the Robins will come...it helps us remember that there is a rhythm to all things...a time for all seasons...and that God will come at the right time as is planned by the Father in Heaven. Just a little while longer...God will push back the cold of darkness, the pain of hurtful words and acts, abolish the sin problem forever, and we will live in a lively, interesting, bright, busy happy world with God face to face!
