- 1 package of colored washable markers
- 1 plastic ruler with inches and millimeters on it
- 1 package of kindergarten to 2<sup>nd</sup> grade handwriting paper with writing guide lines
- 1 pack of glue sticks
- 1 pack of erasers, either the big ones or the ones that go on the end of pencils
- 1 large pack of plastic spoons
- 1 large pack of plastic forks
- 1 2-roll pack of paper towels

We have plenty of scissors. With the exception of personal items such as backpacks, and water bottles, the supplies belong to the classroom community and do not go into individual desks or containers. This way we learn to share and take care of community property. It cuts down on the "mine" mentality and focuses more on "ours" and "others". Jesus wants us to look out for and share with others.
