Tuesday—Pizza

Thursday—Mac & Cheese

Classroom News

Mrs. Davidson's Class

We have had a busy week, getting ready for the first performance of our Christmas play, which will be at 5:00 Saturday night (December 1) here at the church. Please have your child in the chapel (behind the sanctuary) by 4:30, ready to get in costume. The program starts at 5:00. Following our program will be a piano recital featuring some of our students. You are also welcome to tour the Live Nativity, and participate in the other activities we will have, such as kids crafts and a soup supper.

This week also marks the end of the month, and the end of our Reading and Bible units. With December upon us, we will be focusing on the Christmas story for the next several weeks. In PE we have been practicing with flying discs (aka Frisbees). In Science this week, we have looked at the skeletal system, and learned more about our bones.

We look forward to seeing everyone on Saturday night. Every student has a part, so please plan to be here on time. See you then!

Teacher Martha's Class

Christmas is on everyone's mind this week. Many families put their tree up after Thanksgiving. So with Christmas on our minds, we changed the plans and worked on Christmas gifts. I hope to have them all wrapped up by next week. The kids are pretty excited to have them ready to give to you.

We made new words with our letters and practiced reading them. The kids are doing great at sounding out words. Kindergarten families, it is very important that you read the little readers that are sent home. Read them every night and when they can read them with ease, I will send home new ones.

Our theme is camping this week. We got to play on the dark gym with flashlights, made s'mores, made bird feeders and measured the length of animals that would might see camping.

Please join us at the Live Nativity this weekend. All the teachers will be there, come seek us out just as the wise men sought Jesus.

Teacher Holly's Class

We are continuing to learn about Environments. Noah's Ark is the topic this week. The children have enjoyed the video of the flood, animals, and how God makes all things new.

Feels like we are still recouping from Thanksgiving week. I have brought some new things into our classroom. Waffle blocks and two car carpets. I have enjoyed watching the child create or connect more roads and bridges.

Thank you to the parents who have signed up for Parent/Teacher Conferences. If you haven't signed up yet or the times didn't work out for you, please connect with me and we can arrange a time. I am excited to say all my students have been fun and enjoy learning.

Hope everyone is able to join us in Bethlehem this weekend. Right here in front of our church. You can stroll down the streets of Bethlehem, meet the Inn Keeper, Roman Guards, as well as Mary and Joseph. Not to mention the petting corral at end. Lacey , Laroo, Poncho and Henry are looking forward to meeting you. ...
