Flowers

*I've heard it said, she's not very bright
Or you know, her brain's not right!
But I can smell the flowers*

*People are very important to me
I find some good, in each one I see!
And I can smell the flowers*

*I love to hold a puppy dog
It's hard to balance on a log!
But I can smell the flowers*

*Very helpful I'll be at work,
To recycle good's or help a cook!
And I can smell the flowers*

*Someday, I'll leave my earthly home
And go straight, to where the angel's roam!
Boy, will I smell the flowers*

*But there will be those, who say
You know, she's better off that way!
Oh, I wish they could smell the flowers*
