The Maranatha Work Bee is now over. A HUGE thank you to our 51 BC volunteers who made up almost 75% of our work force. There are new cabins to finish. If you have carpentry skills...give us a call. This winter was very hard on our camp roads and much paving repair is needed. We are asking for your help with this project, as we are certain the quote will be much higher than our yearly budget for road repair. If you have not donated before, or been able to help by volunteering, please consider how you can help in this regard. We are a large team here in BC and we are strongest when EVERYONE participates. Thank you. Bill Gerber Camp Hope Director
