Quotable Quote

Great light has been shining upon the church, and by it they are condemned because they refuse to walk in it. If they were blind they would be without sin. But they have seen light and have heard much truth, yet are not wise and holy.

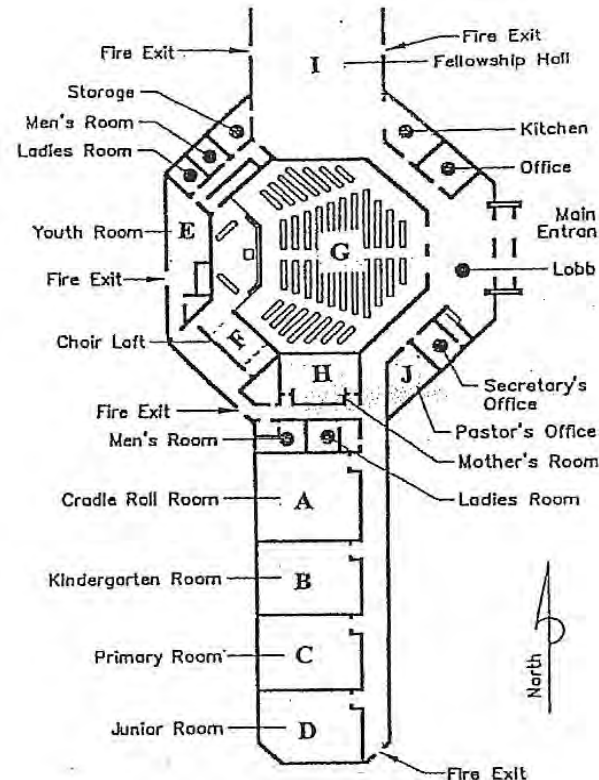

Many have for years made no advancement in knowledge and true holiness. They are spiritual dwarfs. Instead of going forward to perfection, they are going back to the darkness and bondage of Egypt. Their minds are not exercised unto godliness and true holiness.
