Jennifer Cook, former Berks County Teacher, was recently diagnosed with Leukemia and Lymphoma. She is FIGHTING like the champ she is and she needs our prayers and support. Recently, **Craig Johnson** (friend and local music legend in the southeast Pennsylvania area) launched a campaign to support Beth (Jen) with her staggering medical bills. **He will be performing a benefit concert** at the Mountain Springs Campground located at 3450 Mountain Road, Hamburg, **Pennsylvania on October 24, 2020 at 7:00 pm**. ALL proceeds will go directly towards Jennifer Cook's medical expenses. For more information about the fundraiser and concert, please touch base at your convenience.

Many Thanks to the Johns, Blackerby & the Knarr families for making some wonderful improvements to our "Out-Door Sanctuary". We plan to pull the electrical wiring from the church building to the pavilion tomorrow; we need a few good men to help; please contact Eric for a time to be here.
