

Worship /Prayer night

As a church we have been hosting a Worship/prayer night on the last Friday evening of each month. It's prime purpose is to pray for our City and community and also the nation . We believe these are significant days and we know the importance of prayer as we face the challengers in our changing society. Prayer prepares the ground for hearts to be open as we reach out with the gospel into our communities.

The evening mostly takes the form of contemporary worship and open prayer.

We meet in the Larch Room at Community House, Sharow View, 25 Allhallowgate, Ripon.

We start at 8pm, with tea and coffee before hand at 7.30pm.

Our next meeting is 28 October and then every last Friday evening each month.
