## SCHOOL DELAY/CLOSURE DUE TO WEATHER.

In the event of inclement weather, please visit our website at [www.OzarkAdventistSchool.org](http://www.OzarkAdventistSchool.org) for the most up to date notifications of delays or school closure.

## Pre-K & Kindergarten Mrs. Beth Kobliska

### Next Week

Next week we will continue to talk about our **Wonderfully Made** theme with our new book, *The Busy Body Book*. This book will teach us all about the different systems of our body and how we can take really good care of ourselves. In Bible, we will study the story of Daniel in the king's palace and our memory verse is "Choose what is right and reject what is wrong." Isaiah 7:15

### Hundredth Day of School

On Wednesday, January 23, we will celebrate the 100th day of school! We will be doing several fun activities related to 100 and their 100 items project is due that day. It's going to be a fun day! Please let me know if you have questions about the day or the project.

### Snack Helpers

Snack this week will be provided by: Monday, Nic/Jed; Tuesday, Tinsley; Wednesday, Brooke; Thursday, Emily

### Focus Concepts

Next week we will learn about the letter Uu, the number 8 and review the kinds of ovals.

## 1<sup>st</sup> & 2<sup>nd</sup> Grade Mrs. Kay Sutherland

I enjoyed meeting with families this past Monday. I am so blessed by your children every day. Thank you for taking

the time to meet with me. If you were not able to come on Monday please contact me to make an appointment to meet next week.

**Reading Logs are due every Friday. Please send a Reading Log on Monday if you forgot to do so today.**

In the book *Education*, Ellen White wrote, "The object of discipline is the training of the child for self-government. He (the child) should be taught self-reliance and self-control." **Marie Montessori** wrote, "We call an individual disciplined when he is master of himself, and can, therefore, regulate his own conduct when it shall be necessary to follow some rule of life. Such a concept of active discipline is not easy either to comprehend or to apply." The first academic goal in our room is to learn to discipline ourselves. When that goal is reached your children will be free to advance in every subject area.

**1<sup>st</sup> Grade Spelling Tests** next week will be over all the words in lessons 11-14

**Spelling Test for 2<sup>nd</sup> Grade** next Friday will be over these words in lesson 15: air, bear, eye, fine, fire, like, line, their, where, write, \*beside, \*care, \*while.

## 3<sup>rd</sup> & 4<sup>th</sup> Grade Mrs. Eva Hill

☺ **Another birthday this week!** Happy birthday, Gabriel. We wish you a wonderful new year. And thank you for being our tech expert at OAS!

☺ **Social studies chapter 6 test** is next Thursday. Students have notes to prepare ahead of time for each upcoming test.

### ☺ MULTIPLICATION!

We continue to practice, test, and use our multiplication facts. Fourth graders are working on reducing and ordering fractions. Third graders are beginning basic division and related facts.

☺ **Spelling next week is a review lesson.** Words from lessons 13 through 17 will be reviewed and tested. New spelling lists for the next five weeks, lessons 19 through 23, are in the envelope this Friday.

☺ **Treasure verse quiz next Friday is:** "I am the Lord your God, who rescued you from the land of Egypt, the place of your slavery." Exodus 20:1 NLT

## 5<sup>th</sup> & 6<sup>th</sup> Grade Mrs. Janet Lopez

Happy Week! The students continue to learn about Peace in the world, with others and within ourselves. Jesus is the way to have peace even in the midst of trials and storms. We played several Bible sorting games on peace.

In Social Studies the students read about Mesopotamia and the Fertile Crescent lands. Many Names of places in the stories from our Social Studies book are familiar places students recognize from the Bible.

In Science we are learning about weather and clouds. Students formed the different types of clouds from cotton balls and we went outside to look at clouds. This week they have been hard to identify due to the weather however we will keep watching.

In Math 5th grade is learning about solving more complicated word problems using graphic organizers. 6th grade is learning to turn percents into fractions and decimals.

In Language Arts we continue to read Dr. Rabbit and do comprehension activities to go with the book.

Remember to study for MV, spelling, and vocabulary tests.

Have a great weekend!

Thank you for keeping our parking lots safe.

## Library

**Mrs. Joyce Shedell**

### Winter: the season for reading.

This is an excellent time to curl up with a good book and read. Reading books can take you on adventures all over the world.

**Accelerated Reader:** So glad to see many of you testing and earning your points. Check with your teacher to see how many points are needed and when.

**AR Store:** What would you like to see in the store? The store will be Feb. 22.

### Christmas Child boxes:

We are still collecting quarters (and dollars) for the Christmas Child boxes that we sent in November. How fast can we raise the last \$100 needed

**Junior Librarians:** To be a JL each student must be up to date with their AR reading. Last week's JLs were: Brian, Jack, Ashiyana & Cody

**New Books:** A lot of new books are arriving every week. Look for them on the shelf by the computers.

### The Library is closed

on Friday. If you need to return a book, please put it in the red crate by the door. Thank you.

## Home & School

**Mrs. Samrina Cox**

**Mrs. Angel Pfeiffer**

**BOXTOPS!!** Keep sending them in! We will be collecting them at the end of January to see which class gets a surprise!

Home & School Meeting on Thursday, January 24th at 3:00 pm just before pick up. This should only take about 15 minutes. Remember Home & School is "YOU"!! I hope you can make it!

Next Friday, January 25- CORNDOGS for sale at the youth center at noon! Please pre order a few days before by texting me at 479-220-2184 or calling the school and leaving an order! Yum!!

## OAS Skyhawks Basketball

Our next tip off will be Tuesday, January 22 HAWKS @ LWCS 4:30 pm!! Girls play first and boys to follow! Come out and show your support for our teams and your school!!

**BAKE SALE!!** The OAS Basketball Teams will be having a bake sale on Friday, February 1, 2019 at noon! The funds raised will help pay for the cost of our Basketball Tournament in Texas the second weekend in February! Please help support these teams, they have worked so hard this year for this tournament!!

## OAS STEAM Team

It's what they have all been waiting for 3D design and printing.

We are excited to invite any and all 5<sup>th</sup>-8<sup>th</sup> graders who are interested in 3D design and printing to join us every Wednesday right after school in Mrs. Lopez's classroom. We will meet till 4:30.

Anyone not picked up from the classroom will go to afterschool care at 4:40.

There will be a 3D material fee of \$10. And we will include 1-2-3-strike out for discipline opportunities. See you Wednesday, Let's get designing!
