# FAMILY MATTERS

## REFLECTING CHRIST

“Paul pleaded with those who had once known in their lives the power of God, to return to their first love of gospel truth. With unanswerable arguments he set before them their privilege of becoming free men and women in Christ, through whose atoning grace all who make full surrender are clothed with the robe of His righteousness. He took the position that every soul who would be saved must have a genuine, personal experience in the things of God.”

~ Acts of the Apostles, pg. 338
