Weather Delays/Closings

We would like to think that there will be no need for school closings due to the "white stuff" but that is probably not realistic. You can know what is happening in this regard by watching the TV in the mornings. You should watch for Parkview Junior Academy specifically (though we typically follow the actions of the Syracuse City School District,

but not always). Watch channels 3, 5, 9, and 10. Usually we are able to get the closings on all of these channels, but some take longer than others, so if you don't see it in one place, check out another.

Veteran's Day Activities

As we have done for quite a few years now, school will be in session on Veteran's Day. This enables us to teach students the meaning of the day and to be involved in serving some of the senior veterans in our community. The whole school will be going to St. Camillus where we will present a program to their residents who are veterans.

Eighth Grade Fundraiser

The 8th grade students will be selling juice at lunch time beginning Monday. There will be other items to purchase in the future. More information to follow soon. Proceeds will help fund their class trip and other class expenses for graduation.

Important Lunch Information

Please look over the menu with your child and carefully determine which meals they are willing to eat. If they don't like what is being offered, please send them a healthy lunch (if in doubt about what constitutes healthy, please review the nutrition policy you received at registration). We will be monitoring this, and students who do not eat

what they order will not be allowed to continue to have school lunches.
