

A Letter to My Daddy

*From an early age, I relied on you for love,
guidance and protection.
Through the waves of life, you've taught me
valuable lessons
Never could I imagine a time you would depart*

*I would make our time endless if I could, to escape
immense pain of being without you.
You'll never be forgotten; I'll remember you as
you were.*

*You persevered through the toughest battles
You protected the ones you loved through your
resilience and bravery
You comforted us all through laughter
You gave us peace knowing your presence will
remain in our hearts*

*Even when I feel so heavy and parts of me feels so
incomplete without you
The joyous memories of you feels like a never-
ending embrace*

*As this earthly life is just an experience along the
way,
I pray your journey is paved with infinite love
and serenity
You'll remain a part of me, as I am part of you
A bond that is everlasting*

*Until we meet again,
Your children*
