

WIN! Wellness *Homes of Hope & Health*

Small Group Instruction on Integrated Balanced Living
Physical, Emotional and Family Wellness

In these times of various family illnesses, personal health crises, lots of stress, hopelessness and family concerns—many are searching for information that will help them and their families to be physically and emotionally well and learn how to take personal steps to stay well.

That is what **Homes of Hope & Health** is about!

*The goal of WIN! Wellness is to help people LIVE—
live healthier, happier, holier and even longer!*

You are invited to attend **Homes of Hope & Health** small groups scheduled **for your area**. In 29 weekly one-hour or 1 ¼ hour sessions you will go down an amazing learning path to a **new healthier and happier you**. Enjoy learning in a small group with **new friends**.
