Someone Is Missing

*Let this be a loving reminder
That someone is missing today,
Someone our hearts still hold on to
As we travel along life's way.
Someone who made life so special
For all those who gather here,
Someone who won't be forgotten,
But cherished from year to year.
And now, as we pause to remember,
Let us all fondly recall,
How dearly each of us loved him,
And oh, how he loved us all!*
