Remember that you will never reach a higher standard than you yourself set. Then set your mark high, and step by step, even though it be by painful effort, by self-denial and sacrifice, ascend the whole length of the ladder of progress. Let nothing hinder you. ... Press with determination in the right direction, and circumstances will be your helpers, not your hindrances. ... As the will of man co-operates with the will of God, it becomes omnipotent. Whatever is to be done at His command may be accomplished in His strength. All His biddings are enablings.
