

His Journey's Just Begun

Don't think of him as gone away
his journey's just begun,
life holds so many facets
this earth is only one.

Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.

Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.

And think of him as living
in the hearts of those he touched
for nothing loved is ever lost
and he was loved so much.

By Ellen Brenneman

Christopher Paul Milbradt "Chris or Milly" peacefully passed away at Alomere Hospital in Alexandria Minnesota on December 28th, 2021, at the age of 39 due to complications from Covid.

Chris was born on January 17th, 1982, in Minneapolis Minnesota and moved to the Alexandria lakes area in 1989 where he graduated from high school. He spent the majority of his life there. Chris tried many different things throughout his life but found that being there for his family and friends was what mattered to him the most, he really enjoyed spending quality time with Sam and Lyander.

Chris loved fishing, hunting, shooting, and the occasional road trip with family and friends, when he didn't have to drive! He loved sharing music, helping his dad Chuck in his shop and, playing Xbox with his friends online and was an avid fan of watching hunting, fishing, and car videos on YouTube. If you wanted to know a good place to grab a bite you would just ask Chris and he would be right along with you, he was always stealing food off our plates! Chris had a large heart, and great sense of humor. He will be incredibly missed by everyone who loved him!

He is survived by the love of his life of 20 years Samantha "Sam" Porter; his 16-year-old son Lyander; Mom Cynthia (John) Madison; Dad Charles "Chuck" Houser; brother Ethan Houser; sister Kelsey Houser (Steve) and nieces and nephews Hayley, Tegan, Audie and Kash.

He is preceded in death by his biological father Paul Milbradt.

Chris's family and friends would like to thank the doctors, nurses and people that cared for him during his stay at Alomere Hospital. They also would like to thank Anderson Funeral Home for handling his services and Sam's generous employers at Elden's for their help with the catering and their compassion during this time.
