Victoria New Church Building Project - Update

- By May 23, 2020 - We expect to submit co-ordinated architectural & engineering drawings first to our Church’s Business Meeting, Conference’s review & then BP (Building Permit) to Saanich.
- 4 Tender (IFT) drawings will be issued.
- Final cost budget estimates will be available for your review & vote.
- Because of Coronavirus we may have to conduct this Business Meeting via Zoom - with all the reports submitted to our members via email, or Canada Post, or both.

Our greatest new challenge at 4401 Chatterton:
- Saanich parking & sidewalks regulations are significantly raising the cost of our project.
- Let’s pray and hope for the resolution to the many requirements that we have to meet in preparation to our BP (Building Permit) submission.
- We ask that you join us at 12:00pm daily to pray for the Chatterton project.

Church Bulletin (due Midnight Tuesday)

Prayer Requests
- The Tshuma family would like to thank you all for your support during our bereavement as we mourned the loss of our father. Your phone calls, emails, texts, flowers & yes, even your silence as you gave us time & space to grieve - the love you showed us was of great comfort. We praise God for the family that you have become to us.
- “I would like to request a prayer for my uncle’s family in Toronto. His daughter’s sick right now and his wife just got the result yesterday and positive of corona virus” (Lolevel Ranning).
