

*Even from my mother's womb
Never hidden from your view
I was always known to you*

*When I fade away in death
You will catch my final breath
You will take me to my rest*

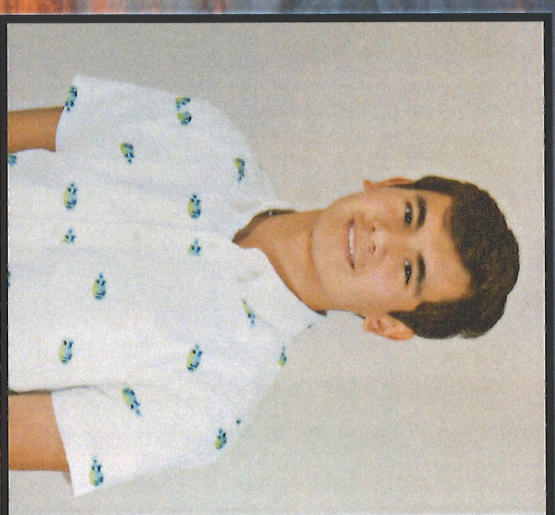

*For you are always, always with me
For you are always, always with me*

In Loving Memory

Anfernee Lenoir Economy

January 11, 2000 ~ March 7, 2024

*You are not what you have done
Or what has been done to you
You are something like the rising sun
Can't you see that you are new*
