Sovereign Over Us

There is strength within the sorrow
There is beauty in our tears
And You meet us in our mourning
With a love that casts out fear

You are working in our waiting
Sanctifying us
When beyond our understanding
You're teaching us to trust

Your plans are still to prosper
You've not forgotten us
You're with us in the fire and the flood
Faithful forever perfect in love
You are sov'reign over us

You are wisdom unimagined
Who could understand Your ways
Reigning high above the heavens
Reaching down in endless grace

You're the lifter of the lowly
Compassionate and kind
You surround and You uphold me
And Your promises are my delight

Even what the enemy means for evil
You turn it for our good
You turn it for our good
And for Your glory
Even in the valley You are faithful
You're working for our good
You're working for our good
And for Your glory
