*I found some things at Grandma's house,  
some things both fine and rare,  
some memories, some sympathy,  
a gift of time to share.  
Inside a book, I found a faith  
to last me through the years.  
And on a shelf, I found myself  
lots of photos and souvenirs.  
But what I found at grandma's house  
that meant the most to me,  
were loving moments she would give  
and those were most tenderly.*
