NO CHURCH THIS SABBATH DUE TO COVID-19 CONCERNS

The conference office has made a recommendation to local churches to exercise more than normal caution concerning church attendance until the situation has been more stabilized.

We are encouraged to take advantage of the many choices we have of utilizing available TV and internet sources to enjoy our Sabbath, in a safe environment.

God bless each of you, and take these precautions seriously by aggressively focusing on keeping your immune system in good condition!

Jesus is coming VERY SOON! These are visible signs that we need to be ready NOW!
