

*Arlene Rose* was born June 30, 1935 in Mott, the daughter of George and Ruth (Heth) Klein. Growing up she attended through the eighth grade. Arlene married Don Rose on November 9, 1956 in Mott, North Dakota. To this union, four children were born: Ronald, Cynthia, Cheryl and Dollyn. Our sweet Arlene was a school bus driver for New England and she was a 'force' to be reckoned with but she loved her bus kiddos. She was a devoted mother and wife and enjoyed being a homemaker. Arlene and Don enjoyed camping with their family. She especially loved all her grandchildren and family gatherings always put a smile on her face. She will be dearly missed and forever loved. Arlene is survived her children, Ronald (Candee) of Hettinger, Cindy (Jim) Gaddie of Warroad, MN, Cheryl (Joe) Hetzel of Mandan, Dollyn (Larry) Shinnaberry of New England; 14 grandchildren; 26 great-grandchildren and one due in January; brother, George (Sandy) Klein of Miles City, MT; sister, Sharon Zimmerman of Mandan, ND. She is preceded in death by her husband, Donald (2022); grandson, Brandon Shinnaberry; brothers, Garry, Donald and Ray Klein; sisters, Elaine Luke, Rozella Miller, Linda Spears.

Ask anyone who's spent time with Arlene Rose,  
"What made her special?" Depends who you ask, I suppose.  
At the Lions' meetings, where many people she'd meet,  
Helping out with lefsa, making quilts, or baking a treat.

Recall the bus students that she drove around,  
When the voice was raised, there was no more sound.  
To her sewing friends, there was no one finer.  
Visible in town functions at the church or the dineR.

Likely the best ones to ask, are the four that she raised.  
They would say she was a blessing throughout all her days  
The talks with her will be missed, that's for sure they know.  
Whether sitting at a table, or conversing on the g0.

Eventually ask the one, who convinced her to marry.  
He'll have stories to tell, some heartwarming, some scary.  
As she listens fondly, of their together times he tells.  
At some point he'll start chuckling,  
while she scowls and yells.

Not a bad idea to ask some of the grandchildren or great  
On what made Grandma Rose, someone they'd highly rate.  
The holidays were special, with baked goods galore  
The laughter and hugs, we'll hold dear forever morE.

Everyone who met Arlene,  
will remember the smile she had.  
Her compassionate demeanor  
will embrace us when we're sad.

Knowing that she'll look after us, from high above.  
Gives our hearts some warmth from this person we all  
loved!

In Loving Memory
