## BOILER APPEAL - Crowdfunding.

Thank you so much to those who have generously donated to this already.

Your donation is match funded TWICE! This means that if you give £10, it is worth £30. This works up to a value of £250. So your donation of just £250 becomes £750 for the church. If you give more than this then the match funders still only give a maximum of 2x £250.

We only have 12 more days to reach our target so **please click on this link** to see more information and to donate. We need to raise £350 and have 27 individual people donating through the Crowdfunder link to qualify for the matchfunding (or we lose it) so please help if you can.
