

# RIPON ROTARY WALK FOR WATER

## SATURDAY 23rd JULY 2022

### 10:00 AM

Imagine having to walk miles each day to collect your drinking water. In many parts of the world that is a reality. Often the collected water is contaminated, sometimes because the supply is shared with animals. The consequences can be fatal. Drought is a further danger.

To experience a similar challenge, Ripon Rotary Club invites you to participate in a SPONSORED Walk For Water. You will walk from Ripon Market Place to STUDLEY ROYAL to collect water from the lake, and bring that back with you in a makeshift container. The distance is about 3 miles each way. The Registration Fee is £5.00, but free for under 18's.

You can help us by registering for the walk and asking your friends and family to sponsor you. All money raised will be donated to AQUABOX, so that when the next disaster happens an immediate response can be made.
