

Second Grade Supply List

Welcome to my classroom! I am excited to meet you.

I will purchase most of your school supplies.

There are a few things you will need to help our school year run smoothly.

1. **A backpack with no wheels** (backpacks must fit in lockers)
2. **Spill-Proof Water Bottle** (Thermos makes a 12oz. with an attachable cap that closes over the straw)
3. **Change of Uniform Clothes in a Zip Lock Bag** (for emergencies)
4. **Bring your favorite book that you have read this summer**

See you soon!
