OUR WEEK

For the shortest month, February has a lot of celebrations and holidays packed in! This week was Groundhog Day, which we spent studying and tracing shadows and watched the groundhog's prediction for 6 more weeks of winter. For the 100th day of school, we did a shared writing activity of 100 things we would like and 100 things we would NOT like. We also did 100 exercises that day and got to see the Kindergarten t-shirt fashion show.
