

Native American Prayer

I give you this one thought to keep.
I am with you still, I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the gentle autumn rain.
When you awaken in the morning's hush,
I am the swift uplifting rush,
Of quiet birds circled in flight.
I am the soft stars that shine at night.
Do not think of me as gone,
I am with you still,
With the breaking of each new dawn.
