August 21, 2019

Dear Parents,

Louisville Adventist Academy is getting our sports schedules together for the year and want you to know the cost of uniforms and athlete fees. LAA has to pay for referees and gym rental fees throughout the year. These costs have been increasing and we will be charging \$50 per athlete and per sport to cover the costs of all the fees.

As always, uniforms are also required. Each sport varies in uniform cost or rental structure, so please be sure to watch for information on your athlete's sport for the specifics. Since we are currently in volleyball and basketball season, the uniform cost is listed below.

Here is the breakdown of the fees as well as the uniform charges:

- Each athlete must pay a \$50 fee for coverage of referees & gym rental.
- Uniforms
 - a. Junior Varsity Basketball – Rental \$40
 - b. Varsity Basketball – one time purchase of \$99. (If you already have one, there is no need to purchase another)
 - c. Volleyball Players – One time purchase of \$75 (If you already have one, there is no need to purchase another)

Please make checks payable to LAA and be sure to note athletic fees and/or uniforms in the memo. All payments are due by Wednesday, October 2.

Thank you in advance,

Coaching Staff
