Know His Love Ministries

LGBT+ is certainly a controversial topic. Even in the church not everyone is promoting the same message. Is there a Biblical answer? How should we react to this subject? How should we respond to people in the LGBT+ community? What would Jesus do? Is Jesus and His authority trustworthy? What should we tell our children? The leadership of Chapel Oaks has decided to invite Wayne Blakely with "Know His Love Ministries" to help us navigate this difficult subject on Sabbath, February 29. The program will include a session during adult Sabbath School, (We encourage teens and any children you feel are old enough to attend as well), church service and an afternoon program. We believe you will be encouraged and blessed by the presentations. Of course this program is family friendly. The only unpredictable portion will be the afternoon program Q&A session which follows the viewing of the powerful movie "Journey Interrupted." Wayne of course cannot control the questions people might ask in the Q&A session. The church board agreed that this seminar will only be promoted "in house" among the area Adventist churches. [There are numerous videos on YouTube if you want to get acquainted with the nature of Wayne's messages.](#) If you have questions or concerns about this program please contact a pastor or the head elder.

Right Now Media- As a gift from the West Lenexa SDA Church, you and your friends and family are welcome to use the resource Right Now Media! It is a Christian video subscription service like YouTube or Netflix. There are Bible studies, seminars on finances and relationships, and kids cartoons among many diverse programs. To sign up, click on "Right Now Media" on the church's website homepage.

Memory Verse Challenge: The goal is to memorize one verse per month for 2020. The first verse is 2 Corinthians 5: 17. You can learn it using any Bible version that you prefer.

Children's Ministries invites you to share your favorite Bible Text on the bulletin board. Write Text (ex: Gen 1:!) and your

name on a little heart. The children will be looking these up and memorizing them for our next project. Thank you for sharing so that we can all be blessed as you have been by these texts.

Midland MUSINGS

Thank you to Ms. Kuehmichel and Mrs. Frishman for organizing Career Week for our elementary students. Students learned how police officers, respiratory therapists and physical therapists help people by using different tools. Students enjoyed the visuals, exercises and games and learning how they might want to work to help others in the future.
