No Tears

Weep not for me though I am gone
Into the gentle night
Grieve if you will, but not for long
Upon my soul's sweet flight.

There is no need for tears.
I am at peace, my soul is at rest
There is no pain, I suffer not,
For with your love I was so blessed.

I am in a place of comfort
The fear now is gone.
Put those things in your thoughts,
In your memory I live on.

Remember not my fight for breath
Remember not the strife
Please do not dwell upon my death
But celebrate my life.
