For those I love-

For those who love me-

When I am gone, release me, let me go....

Be happy that we had so many years.

I gave you my love.

You can only guess how much you gave to
me in happiness.

I thank you for the love you each have shown,
But now it's time I traveled on alone.

So grieve a while for me, if grieve you must.
Then let your grief be comforted by trust.

It's only for a while we must part,
So bless the memories that lie within your heart.

I won't be far away, for life goes on,
So if you need me call and I will come.
Tho' you can't see me or touch me, I'll be near.
And if you listen with your heart,
You will hear all my love around you, soft and clear.

And then,
When you come this way alone,
I'll greet you with a smile and, "Welcome home."

"Forever and a day."

In Loving Memory of *Richinda Lois Rock*
