*Our lives go on without you
But nothing is the same,
We have to hide our heartaches
When someone speaks your name.*

*Sad are the hearts that love you
Silent the tears that fall,
Living our hearts without you
Is the hardest part of all.*

*You did so many things for us
Your heart was kind and true,
And when we needed someone
We could always count on you.*

*The special years will not return
When we were all together,
But with the love with in our hearts
You will walk with us forever.*
