A friendly smile, a casual touch
These are things that mean so much
The flowers you sent, and meals you made
We're grateful for every way you gave
Thank you for being with us in our time of sorrow
And sharing in our prayers today and tomorrow
God gives us comfort in the form of family and friends
May his peace be with you and may his love never end

Remembering Ashley

Don't think of her as gone away
Her journey's just begun,
Life holds so many facets
This earth is only one.
Just think of her as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.
Think how she must be wishing
That we could know today
How nothing but our sadness
Can really pass away.
And think of her as living
In the hearts of those she touched
For nothing loved is ever lost
And she was loved so much.
