Camp Hope Calling

Hello Friends. We need your help. We are Spring Cleaning our RV/Trailer storage area. There are a number of older trailers and vehicles in there in very rough shape, and/or appear to be abandoned, and/or are not paying storage fees. They are not registered in our lodge office, no longer used, and show no signs of ownership. They have been there a long time. If you are aware of anything stored there, or their owner (likely very elderly), please contact us soon. We would like to clean up and free up space. For liability purposes, every trailer/vehicle in there needs to be registered and have the storage agreement filled out and signed. Please contact the lodge office if you are in there and not registered. 604-869-2615. Thank you all.

The Bookmobile :If you would like us to send you anything, you may email or call and we will do our best to work with you on it. Our store is still operating on the regular scheduled hours and we plan to stay open as long as permitted. If you would like us to ship something, place items on hold for you, or if we can help in any way, please contact us and we'll do our best to continue serving you. Thank you for your understanding.
