Half Day; Teacher Professional Development

Dear Parents,

Third through tenth grade will be participating in the WrAP test this Monday, February 26th thru the 28th. If your child misses school on any of the test days, they will be required to make it up March 1st or the 2nd. Please make sure that that your child gets plenty of rest and a good breakfast to help them stay focused on their test.

Attention!

We Need Your Help; Door Safety

Parents we need your help. With the recent event in a Broward county school we want to make sure that our students are always safe. We have locks on all doors and only allow in those that we can verify have reason to be on campus. The office staff are the only ones in charge of admittance into the school. Please make sure that if you or a family member is visiting the school that they first check in with the front office. In the past we have had students open the door for people. We have discussed the danger in doing so and ask that you please review with your child the importance of not opening the doors for anyone.

Black History Celebration

This is finally it! The students have put in a lot of work and learned a great deal about Black History. In most classes, projects are due this Monday, February 26th; make sure you check with you child's teacher for due dates. Your child should be at the school February 28th at 5:45 pm to help set up their project. The celebration begins at 6:00 pm.

Important

February Art Contest:

This month's art theme is Piet Mondrian. His work was known to be abstract and he simplified the elements of which he was painting. He used straight lines and primary colors in his art.

Step Up Update:

Step Up checks are in. Please come in and sign the check if not done.

Step Up has not opened for new families. We will keep you up-to-date on the progress.

8th Grade Banquet; Sunday, February 25th, 4-6 pm

The eighth-grade class will be hosting a banquet this Sunday, February 25th, to help raise money for their graduation trip. It will be in the church Grand Hall. Food will be supplied by the students in the Culinary Arts program at Charlotte Technical Institute. There will also be live music and a DJ. Seating is limited so please make your reservations as soon as possible. Walk-ins will be available until seats are filled. For tickets, contact Lucinda Lang at 941-875-5103.

PCAS School Re-Enrollment Open Soon

Re-enrollment for 2018-2019 school year is upon us. I will be sending out a parent alert by phone when the application will be opened. Enrollment will again be online for renewing families. If you need help with enrollment, please make sure that you make an appointment with the office to complete all required documents. We will be opening up enrollment for current families for a month and then open for outside families. Many classes are at maximum capacity, so once open to those outside the school, it will be on a first-come, first-served basis. Keep an eye out for dates of parent enrollment nights.

PCAS Collection Shoe Drive, January 16th

The shoe drive is going great! Keep up the good work.

PCAS students and our church family will be coming together to collect shoes for third world countries. Please make sure that the shoes you send in have matching pairs and are lightly used or new. We are collecting all sizes, children through adults, and they can be any style. The program will run now through the end of March.
