Missing You Always

You never said I'm leaving. You never said Goodbye.
You were gone before we knew it and only God knows why,
In life I loved you dearly, In death I love you still, In my heart I
hold a place that only you can fill. It broke my heart to lose you,
But you didn't go alone.
A Part of me went with you.
-Love, Essence

My Hero

“You held my hand when I was small. You caught me when I fell. You’re the hero of my childhood And my later years as well. And every time I think of you, My heart still fills with pride. Though I’ll always miss you Dad I know your by my side. In laughter and in sorrow. In sunshine and through rain. I know you’re watching over me. Until we meet again”
