

# Tribute

*It's not important where I'm from,  
It's not important where I grew up,  
It's not important where I was born, who my family is...  
It's important how I treated you in my life.  
May the life I lived speak for me.  
-Eric*

## Son

*Of all the special gifts of life,  
However great or small,  
To have you as our Son  
Was the greatest gift of all.  
A special time, a special face,  
A special Son, we can't replace.  
With an aching heart  
We whisper low  
And love you so.  
Love, Your Mother*

## Nephew

*You left without warning. Gone so fast.  
Now all we have are memories of our past.  
You are loved by so many. You might not  
have known, but in our hearts is where  
you have grown. The memories I have  
throughout the years will last forever with  
laughter and tears. I will miss you oh so  
much. So will all the lives that you touched.  
Love, Uncle Brian*

## Acknowledgement

*Perhaps you sent a lovely card, or sat quietly in a chair.  
Perhaps you sent a floral piece if so we saw it there.  
Perhaps you spoke the kindest words as any friend could say.  
Perhaps you were not there at all, just thought of us that day.  
Whatever you did to console our hearts, we thank you so  
much, whatever the part.*

# Notice of Change of Address

*I want you to know that I have moved. I received a call from God, the Chief Architect, who informed me that my new house is ready and that I could move immediately. I just didn't have time to give you notice.*

*You all know that I have been sending up my timber in my own way. Packing up a little at a time, getting ready to go, but there were some minor things to do - some finishing touches on some timber that only the Chief Carpenter, Jesus Christ, could help me do. I also had to wait for Him to let me know when He had finished some of the little things that were too broad, too thick, or not long enough.*

*Well, my new home is finished and it's such a beautiful sight to behold. It is located in an exclusive estate area and it sits behind a beautiful pearly gate, just off a serene celestial shore.*

*Of course, the streets are paved with gold and everyday is Sunday here. I have been told.*

*I have lived several places before my new home was prepared and none of the others could compare.*

*There is peace, joy, and happiness here with no more pain and cares of the world to bear. No strife or discontentment; there is only sweet serenity everywhere. I could go on exploring around my new home, but I have to get fitted for my wings. Let me give you my address, because I highly recommend you make plans to live here too:*

*Oh yeah, let me tell you this .. I don't have a telephone yet, but just call God. If you don't have His number, He's listed in the Good Book, the Book of Life, the Bible, on every page.  
Contact Him!*
