Your Spirit

I know that no matter what, You will always be with me. When life separates us, I'll know it is only your soul, Saying goodbye to your body, But your spirit will be with me always., When I see a bird chirping on a nearby branch, I will know it is you singing to me., When a butterfly brushes gently by me so care freely, I will know it is you assuring me you are free from pain. When the gentle fragrance of a flower catches my attention, I will know it is you reminding me, To appreciate the simple things in life. When the sun shining through my window awakens me, I will feel the warmth of your love., When I hear the rain pitter patter against my window sill, I will hear your words of wisdom, And will remember what you taught me so well. That without rain trees cannot grow. Without rain flowers cannot bloom, Without life's challenges I cannot grow strong. No matter where I am, Your spirit will be beside me, For I know that no matter what, You will always be with me

Love your one and only son, Cameron Joshawn Shackelford

Poem

My heart is broken for what I'm missing, It hurts to see you lay there gone, I'd wish that you were here to stay, But nothing can undo this thing, Your face is still, without a trace, Of the life you filled up with so much love, And I can feel the tears inside, At the fact that I can't say goodbye, I can't deny how much it hurts me, When I think of how our life had been, The joys we shared, the time we spent, All of it now, gone in an instant, Oh how I wish you could come back, It'd fill my life to its brim, But one thing I know for sure, Is I love you and will never forget. It was a pleasure taking care of you and being your Personal
