

Welcome to Eastgate SDA Church!

A message from Pastor Eric Saylor

Our family recently enjoyed a vacation. We kept it pretty low key, did some camping, fishing, and included a few days of “staycation” as well. It’s interesting to see what different people pack first when gathering supplies for camping: for some it might be food, for others it’s a good book, and for the wisest it’s fishing tackle... What we pack first seems to indicate what our priorities are. It shows us what we want to accomplish on the trip and what will make the experience a success.

Priorities are important to address and analyze both at home and in the church family. Unless we recognize what our priorities are, and what they should be (not always the same thing), we will keep getting the same results we always have been getting.

This Sabbath we continue our series *Growing Young Together* and focus in on our fifth principle: *Prioritize Everywhere*.

I’m looking forward to worshipping with you!

~Pastor Eric

LIBRARY UPDATE: We have been working on the library, but it is taking longer than anticipated, so it will probably be awhile until it is ready to open. We need to manually scan every item into the new system and update every item online as we go. This process would go much faster with help! Let Tiffany know if you would like to help by emailing tmichaelsfam@gmail.com or texting/calling 509-876-6565.

The family of Bill Olson wishes to express our sincere appreciation for your kindness, love, and support through this difficult time. Thank you for the meals provided for the family immediately following his passing. And, we especially want to thank you for the good food you furnished for Bill's celebration of life.

Grounds Ministry – Irrigation Maintenance

Dwight Bartlett will be leading a team who will maintain the irrigation of the lawns but he needs your help now!

The church also needs a team of members willing to help with the weekly chores including mowing, trimming the edge areas of the lawn, occasionally spraying for weeds, etc. If this is of interest to you, please, contact Dwight at 509-240-5272.

Are you supporting your local church budget in addition to the world church?

It is our local church budget that pays for things like our electric and water bills, etc. So, something for you to think about, for the Eastgate SDA Church, for the period from June 5 to July 8, our electrical costs averaged \$16.74 per day over that billing period.

For the first seven months of the year local church budget has averaged \$9,456.68 per month with a monthly budget of \$10,414.17.

Please consider contributing to our local church budget and support the local ministry of this church. Please don't forget our parking lot resealing and striping project. We still need to raise approximately \$9,308.30 to finish paying for this investment in our parking lot. Thank you!

Financial Report

Combined budget for July: \$13,503.82. *Thank you for supporting your local church budget!!*

Parking Lot Project: Total Cost of Project \$14,324.29. Amount remaining to raise, \$9,308.30

We are beginning to set aside funding for the 2019/20 school year. We will announce our goal near the end of August. Current balance equals \$917.35.

Women's Study Group

Financial Scams Abound! Be Cautious!!

This week someone tried to impersonate our Pastor Eric in soliciting money for a cancer patient. There was no cancer patient ~ it was a scam.

Also, from the College Place Village Church, someone has created a fake email address and is contacting Adventists soliciting funds for a cancer patient. This is being done in the name of the Pastor Jeff Kinne.

Please do not respond to this type of fund raising! Please be sure you know who you are communicating with before assisting financially!

Join Maranatha Project in Coeur d'Alene - July 29 - Aug 20

Have you ever wished that you could be involved in a Maranatha Mission Trip project? Now you have an opportunity to do just that without much expense. No project fees, just the cost of gas to get there. Maranatha is doing a building project in Coeur d'Alene, Idaho, July 29 - Aug. 20, 2019. The Lake City Academy is adding on to their campus by building 2 two story frame classroom buildings. If you have building talents, we need you! If it is close enough to your home you may choose to commute or lodging can be provided. You may say, "I can't spend that much time away from my job." That can be solved too. You can sign up for individual days or several days in a row. Chose what is convenient. Go to Maranatha Volunteers Int. click on Volunteers, and then click on Lake City Academy (Idaho) project. View Project, down load information pack, and register. (<https://maranatha.org/projects/tgid2852/>) Or call or text Judy Leeper, project coordinator at 916-677-6246. You can also email her at jumpersjumpers@gmail.com

If you are not certain of what days you can help, it is possible for you to register on site; but having you register beforehand helps us to plan for meals, and since you have checked your building skills, our Building Superintendent, Gerald Anderson, knows how best to utilize your skills.
